LAHSER'S CHARITY WEEK 2008

April 19 – April 26

This year, Lahser High School is raising money for **Gilda's Club Metro Detroit**, a free, non-residential cancer support community in Royal Oak founded by eight women whose lives were touched by cancer. The mission of Gilda's Club Metro Detroit is to create a community where men, women and children with all types of cancer and their families and friends can enhance the quality of their lives through support, networking and education. All money raised will go towards establishing a home-like meeting place and free program where anyone living with cancer can: build friendships, share the collective wisdom of experience, and develop strategies for living with cancer. Thank you so much for your help.
