This is an updated list of art schools & universities that will meet with Bloomfield Hills Lahser High School students and others interested in undergraduate instruction in the visual and/or performing arts. Unless otherwise noted, these presentations will take place in Studio/Room 309. Please encourage your students to attend. This is a wonderful opportunity for our young people to make direct contact with key personnel who make important decisions on admissions and scholarships. Feel free to forward this to interested students & parents.
